*The Domestic and Foreign
Missionary Society
of the Protestant Episcopal Church
in the United States of America.*

New York, January 1st 1894.

*On this first day of the New Year, we send
the first greeting to the Clergy and Laity
from the Church Missions House. The
Society enters its new home to-day, and
will soon be well settled, and prepared
to welcome its friends. With heartiest good
wishes to all the missionary workers and
supporters, we crave renewed and more
abounding tokens of faith and love for
the work with which the Board of
Managers is charged, and which the
Church Missions House is designed to
advance.*
